### Shaka Zulu Information:

Opening in spring 2010, Shaka Zulu will be a South-African, Zulu-themed nightspot, comprising a restaurant, lounge bar & nightclub. Located in historic Stables Market in Camden, already home to some of the trendiest venues in London, the funky 850-capacity space will feature a fresh seafood bar, an à la carte South African menu & roomy event space. Creative cocktail concoctions & a comprehensive wine list will also keep party-goers happy. Spread across 24,000sq ft & split over two levels, Shaka Zulu will be an unusual space for buzzy drinks receptions or sit-down dinners with a southern hemisphere bent. The multi-million pound venue is set to open in April 2010.
